

Pebworth Parish Council

Minutes of the Ordinary Meeting of the Parish Council

Held at the Pebworth Village Hall at 7:00 pm on Monday 1st July 2019.

Present: Cllrs. Simon Shiers (Chairman), John Hyde, James Pearson and SJ Morrow

In attendance: John Stedman (Clerk), Cllr Alastair Adams, Cllr Thomas Havemann-Mart and three members of the public

59) Apologies were agreed from: Cllr Richard Weller, Denise Meynell & David Cranage,

60) Disclosures of Interests:

- a) Members were reminded of the need to keep their register of interests updated.
- b) To declare any Disclosable Pecuniary Interests in Items on the agenda and their nature.
None declared
- c) To declare any Other Disclosable Interests in items on the agenda and their nature.
Disclosable Pecuniary Interests & Other Disclosable Interests – **None declared**

61) Open Forum: The chairman suspended the formal meeting for open forum

Summary of matters raised:

- Fibrex Nurseries representative thanked the council for the use of the Recreation Field for car parking at the nurseries very successful open day in June.
- Highway issues at The Holt on Broad Marston Road were raised whereby many five-inch steel nails were found on the edge of the road and alleged to be placed there by someone. The matter has been reported to the local police, but no action taken. A further issue of branches on tall trees overhanging the highway is causing large vehicles and buses to pull out into the road to avoid the branches which is hazardous on the bend by the bridge with poor visibility. The chairman confirmed the Lengthsman will investigate these matters and carry out remedial actions where possible.
- Parking in Back Lane was again reported to be a problem and is alleged to be a danger to road users. The chairman confirmed that this has been investigated and while it may occasionally cause congestion it is not considered to be causing a problem. No parking restrictions exist on Back Lane, none are believed necessary at this time, and no accidents have been reported.
- A question was asked regarding the village cups and trophies which are no longer used and if they could be used for village events. It was considered that as awards at events were now made with new trophies the rather old trophies are now redundant. Cllr John Hyde may have one or more of these old trophies still in his possession.
- An update was provided by a member of the public regarding an extra radar speed gun for the police, and how the police have advised that contributions towards such equipment could not ensure their use in specific villages. Cllr Havemann-Mart confirmed that an additional speed gun has been purchased.

Pebworth Parish Council

Ward Members Report:

Cllr Alastair Adams report is appended to these minutes if made available.

A question was put to Cllr Alastair Adams as to why only some patches and potholes are filled when nearby potholes are left unattended to. Cllr Adams explained that this was due to prioritising and limited budgets.

Cllr Thomas Havemann-Mart reported on the Persimmon Homes planning application decision made by WDC last week and the ongoing issues over the community facilities and sec 106 agreement, his full report to be appended to these minutes if made available.

The Chairman reconvened the meeting at 7.25

- 62) Minutes:** The Council agreed the wording of the June ordinary meeting minutes and the Chairman signed them as a true record of the meeting.

63) The Clerk's Progress Reports were noted.

- a) Two letters sent to a property in Broad Marston requesting the garden hedge is cut back from the footway – The Lengthsman reported he had agreed with the property owner that the hedge would be kept trimmed and fully cut back in the autumn as it may contain nesting birds
- b) The Council's response letter sent to Miss Smith regarding the councillor's co-option process, no further correspondence.
- c) Suspect tree failure in the verge between Pebworth and Middlesex reported to WCC

Council observation on the planning application

17/01269/RM: Sims Metals Uk (South West) Limited, Long Marston, Pebworth,
The community building and football pitch have been removed from the proposal

The Parish Council comment: -

Pebworth Parish council are generally supportive of this development, we recognise the benefits that it should bring to our Parish and to the wider community, however this also involves more than doubling the number of dwellings within our Parish so the impact over time is anticipated to be extensive.

We wish to make the observation that the potential removal of the proposed onsite built leisure (community /sports facilities) will undoubtedly increase the demand on the existing adjacent facilities in Pebworth Village and Meon Vale. The point has been made that the Meon Vale facilities are currently underused, however the existing community facilities at Pebworth are old, unmodernised, and inefficient, and are currently struggling to meet the needs of even the existing community.

Persimmon works on site are planned to commence this year, and additional capacity at both adjacent community facilities is likely to be needed within 2 years or less, therefore we strongly suggest that the applicants contribution to built leisure and community facilities needs to be addressed now, not at some arbitrary future point on the occupation of the 350th dwelling. We urge all parties not to defer agreement on a contribution to those facilities but to make it a condition of this application that this is considered now as a priority.

Worcestershire Children First

A new council owned arms-length organisation called Worcestershire Children First is getting ready to officially launch in October 2019. It will operate all Council Children services including education, special needs, children's homes, and the adoption service. The new Worcestershire Children First website www.worcschildrenfirst.org.uk is now live.

School admissions

For the third year in a row, over 90% of children in Worcestershire will be starting school in September at their first-choice school.

WCC held on the title of Council of the Year at this year's West Midlands Energy Efficiency Awards.

The award recognises the hard work over the last year making Worcestershire a more environmentally friendly county, as well as financial savings and carbon emission figures.

Blackminster Middle School

Two science laboratories and a design technology area featuring a food technology area and graphics space have been officially open this month, following an ambitious £860,000 school refurbishment funded from the Worcestershire County Council's Capital Investment Programme.

Community Speed Watch

Speeding through our villages is a concern for every parish council, and I had a good meeting with West Mercia Road Safety Partnership recently and they are looking at launching a Parish Council guide book on how to help tackle speeding in your village. In the meantime, anyone interested in helping is recommended to look at <https://www.westmercia.police.uk/article/38884/Community-speed-watch>

Vale of Evesham Freight Quality Partnership Working Group

Worcestershire County Council has agreed to lead the resurrection of the VFQP Working Group (Vale of Evesham Freight Quality Partnership Working Group) with the support of Wychavon District Council who have agreed to provide secretarial support. The aim is to meet once or twice a year to discuss any issues. First meeting is on Friday 26 July at 2pm.

Highways:

Worcestershire County Council's road maintenance programme on surface dressing is nearly at the end. However, there are still a lot of road closures around the area caused by the utilities – Severn Trent, Broadband, gas and electricity all upgrading the services. To keep up to date on the roads affected see

http://www.worcestershire.gov.uk/info/20602/roadworks_in_worcestershire

Or look at the national roadworks website below, and type in Honeybourne in the top right box to search.

www.roadworks.org

1. New Ullington sign as you enter from Bidford. – replaced as last one was destroyed sometime again by an accident or verge cutter.
2. Water on Broad Marston Rd by Cotswold View – possible water mains leak. Reported.
3. Blocked gully on top of hill on Pebworth Rd on bend as you come into the village – reported and marked to be jetted
4. Dangerous tree branch hanging from in Norton Garden – branch removed by householder
5. Temporary night Closure Stratford Rd Honeybourne- Bridge maintenance 8th July for 5 days.
6. Road Liable to Flooding' warning signs to be installed either side of the bridges in Stratford Rd. No date yet when this work will start.
7. Higher kerbs at the junction of Back Lane and School Lane – programmed to be done but no date set.
8. Cracks on the pavement along Chapel Rd, and Front Street – Highways have sealed these cracks but used a road based sealant and not a pavement one. So the repairs are not satisfactory. I have flagged this to the Head of Maintenance, and he has confirmed that this financial year the pavement will be re-surfaced/top surfaced.
9. Road drains outside Knoll, Front street have been jetted. Illegal connection from a resident's cess pit has been identified. Action being taken.
10. New "No-Through road" signs erected at entrance to Priory Lane, Broad Marston - completed

As always, if you have any issues on any Highways matters, please report it on the WCC website http://www.worcestershire.gov.uk/homepage/98/report_it

Also remember a photo of the Highways problem is as good as "a thousand words" so always take a photo where possible.

New waste planning application by MRW next to Sims.

Pebworth Parish Council

The WCC waste planning committee will be visiting MRW on 8th July to look at the proposal to expand their business to recycle 25,000 tonnes per year.

Burst sewage mains

Severn Trent confirmed that the new sewage pipe from Pebworth to Long Marston did burst last month, and a fleet of lorries had to be used to transfer the waste for a few days. However the pipe has now been repaired.

Please be careful when driving through Little Meadows, Pebworth Road

A cat was run over by a car recently on the road through South Meadows. Unfortunately it died of its injuries. Please remember this road has a speed limit of 30mph and please drive carefully and obey the speed limit.

County Council Divisional Fund

Divisional grants have re-opened in April, so any community organisation that needs a little support to buy equipment or some essential service can apply by contacting me.

Grant requests received so far are

1. Badsey Soap Box Races – grant requested to help organise it
2. Cleeve Prior Annual Cricket Match – grant requested for new equipment
3. Badsey Carnival - grant requested to help organise it - paid
4. Badsey Flower Show & Scouts – grant request towards a new marquee
