

7c.

I write on behalf of the organising committee to formally request, subject to weather etc, permission to use the Close and the Recreation Ground for Pebworth Party in The Park, which we are planning to hold once again on Sunday 1st September 2024.

The close will be required for set up Friday / Saturday and for take down Sunday evening / Monday.

As in previous years it is proposed the main event will be held on the Close and the Recreation Ground will be used for Car Parking.

Please do not hesitate to contact me if you require any further information at this stage and I look forward to hearing from you in due course.

Regards.
