Dear Resident

**IMPORTANT – We need your help to tell us about your current and future housing need**

**Closing date: Monday 12<sup>th</sup> May 2025**

Tibberton Parish Council has asked Wychavon District Council to conduct a Parish Housing Needs Survey. We invite all residents to participate in the survey, no matter their current housing situation, to provide valuable insights into local housing needs, your parish, and potential residential development.

If several people in one household require different housing options or if you know family members who want to move back to the area, they can fill out their own separate surveys online.

**Please complete the survey online at <http://WychavonDC.welcomesyourfeedback.net/Tibberton> or by scanning the QR Code included at the bottom of this letter.**

Alternatively, you may return the survey by post in the pre-paid envelope provided.

**The closing date for completed surveys is Monday 12<sup>th</sup> May 2025.**

Wychavon District Council will retain ownership of the collected data which will be held in line with data protection legislation. For further details about Wychavon District Council's Privacy Notice, please visit: [Privacy Notice for Shared Housing Services - Wychavon District Council](#).
