

7d. Request for Information Board on the Rec

Dear Richard, Donna and PC members,

I'm contacting you on behalf of PIB to ask your permission to install an information board in the Recreation Field. The sign would be made professionally by Acorn Signage in Littleton, this is the company who designed and installed the village hall signage and the sign at Pipers Corner. Please see the attachment below for the type/size of proposed board we would like if possible.

The request for a sign came from a villager and PIB would very much like to support this initiative and are prepared to fund the cost of the board and its installation.

The sign would include information about the history and description of the various installations on the Recreation Field covering the WW1 Memorial site, the allotments and the Queens Canopy.

If this request is granted we propose to site the information board somewhere near the top of the Recreation Field near the small gate leading to the WW1 Memorial area (the exact siting to be agreed with the PC).

We would be very grateful if you would consider our request at your forthcoming PC meeting.

Kind regards

Yvonne Rose

On behalf of PIB
